Holiday Closings

Library holiday closings are posted at <http://library.uthct.edu/holiday.htm>.

Elsevier Science Direct and PubMed

When you click the blue UTHCT Full Text button ([UTHCT Full Text](#)) in PubMed to retrieve an article from an Elsevier journal, you are usually taken to the Elsevier Article Locator screen that gives you access options (i.e. Elsevier Science Direct, Elsevier Health Science, MD Consult, etc.). In such cases, choose either the Elsevier Science Direct link or the link to MD Consult if displayed.

Book Sale

The Library's used book sale continues. In addition to books, there are several VHS videos in the latest batch of sale items.

Library Tours and Training

Library tours, orientations, and training are available by appointment. Presentations are tailored to your individual or group needs, and individual systems such as PubMed, Ovid, or Google may be addressed according to your specifications. Training may be done in your department or other work area if necessary.

Status of Electronic Journals

With the New Year comes an increase in the Library's electronic journals. Over 70 journals published by Elsevier, Lippincott Williams & Wilkins, BMJ, and others will be moving to electronic-only format for 2009. The slanted journal display shelves will be labeled to indicate any journals that have been moved to electronic format.
